Email is received by:

1. Ruth Reid, Director
2. Brenda Geim, VP of Representative Hockey
3. Tim Kerr, VP of House-League Hockey

1. Assessment:

- ✓ Participants (players, volunteers, staff and/or development groups) and parents must review and conduct the participation screener prior to participating in any HHMH activities.
- ✓ Coach will confirm participants have completed the screener prior to entering the facility and also visually monitor participants during the session to assess any early warning signs as to the status of their health if needed. If any are noted, this will be reported to the Communication’s Officer, HHMH Office and parents.

2. If a Team Member is feeling sick with COVID-19 symptoms:

- ✓ They should remain at home and contact Tele-health Ontario at 1-866-797-0000 or Public Health Unit at 311.
- ✓ If they feel sick and /or are showing symptoms while at the facility, they should be sent home immediately and have them contact Tele-health Ontario, Public Health Unit or a doctor for further guidance.
- ✓ No Team Member may participate in a practice/activity if they are symptomatic.

3. If a Team Member tests positive for COVID-19:

- ✓ The Team Member will not be permitted to return to the facility or any activity until they are medically cleared of the COVID-19 virus.
- ✓ Any Team Members who are part of the same session with the infected Team Member will also be removed from the facility/activity for at least 14 days to ensure the infection does not spread further.
- ✓ Team Staff will notify Facility Ambassador to close off, clean and disinfect their work/practice/facility area immediately and any surfaces that could have potentially be infected/touched.

4. If a Team Member has been tested and is waiting for the results of a COVID-19 Test

- ✓ As with the confirmed case, the Team Member must be removed from the facility/activity.
- ✓ The Public Health Agency of Canada advises that any person who has even mild symptoms to stay home and call the Public Health Authority of Ontario.
- ✓ Other Team Members who may have been exposed will be informed and removed from the facility/activity for at least 14 days or until the diagnosis of COVID-19 is ruled out by health authorities.
- ✓ Team Staff will notify Facility Ambassador to close off, clean and disinfect their work/practice/facility area immediately and any surfaces that could have potentially be infected/touched.

5. If a Team Member has come in contact with someone who is confirmed to have COVID-19:

- ✓ Team Members must advise the HHMH Communication Officer and coach if they reasonably believe they have been exposed to COVID-19.
- ✓ Once the contact is confirmed, the Team Member will be removed from the facility/activity for at least 14 days or as otherwise directed by public health authorities. Team Members who may have come into close contact with the Team Member will also be removed from the facility/activity for at least 14 days.
- ✓ Team Staff will notify Facility Ambassador to close off, clean and disinfect their work/practice/facility area immediately and any surfaces that could have potentially be infected/touched.

6. Quarantine or Self-Isolate if:

- ✓ Any Team Member who has travelled outside of Canada or the province within the last 14 days is **not** permitted to enter any part of the facility and must quarantine and self-isolate.
- ✓ Any Team Member with any symptoms of COVID-19 is **not** permitted to enter any part of the facility and must quarantine and self-isolate.
- ✓ Any Team Member from a household with someone showing symptoms of COVID19 is **not** permitted to enter any part of the facility and must quarantine and self-isolate.
- ✓ Any Team Member who is in quarantine or self-isolating as a result of contact with an infected person or in families who are self-isolating, is **not** permitted to enter any part of the facility.
