

NEW THIS SEASON - SPRING EVALUATIONS FOR U8MD and U9MD

- U8MD and U9MD Evaluations will be held in the Spring.
- The schedule for Evaluations can be found on the HHMH Website - [Click Here](#)
- The Junior Thunder MD program offers young players the opportunity to enhance their hockey skills through professional development, games, and practices.

Program Overview

U8MD/U9MD

- A pre-rep tier level program preparing players and goalies for U10 to U18.
- Players and goalies participate in MD only and do not play in the house league.
- Professional development for both players (team) and goalies in addition to team practices.
- Regular game season with minimal travel distance, Exhibition games and Jamborees.
- Prep Skates: For those currently registered with HHMH - a link was sent to all players.
- Evaluations: FAQ provides you more information regarding how to follow your child's progress through the evaluations. [Click here for the FAQ.](#)

U7 MD

- September Prep skates and evaluations.
- Designed for players who want to play more hockey and add more development to the season.
- Players and Goalies participate in the U7MD Junior Thunder program only and not the Mini Thunder.
- Professional development for both players (team) and goalies in addition to team practices.
- Regular game season with minimal travel distance, Exhibition games and Jamborees.
- Prep Skates: Held during September before evaluations. More information to follow.
- Evaluations: Held in September. More information to follow.

Team Formation

- Teams will be assembled after evaluations.
- Planned teams (pending registration): U7MD: 1 team, U8MD: 2 teams, U9MD: 3 teams.
